

Manage Subscription

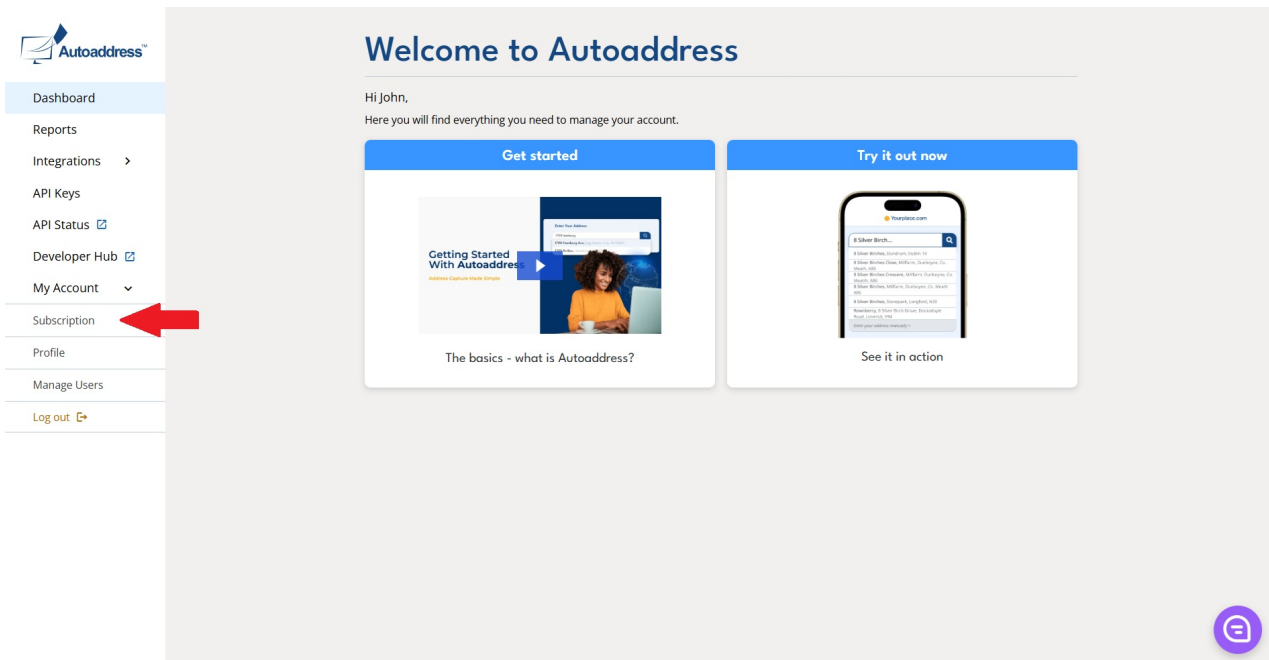

11/25/2024 11:42 am EST

This article contains information on how to manage your subscription on the Account Center.

Move to a Subscription Plan

When you first sign up to the Account Center, you will be on a 14 day trial. To move to a subscription plan, see below steps to do so.

Navigate to *Subscription* under *My Account*.

From here, you can choose either a Standard or Enterprise plan. The Standard plan can be billed Monthly or Annually.

Note: To upgrade to an Enterprise plan, please reach out to our sales team [here](#).

Manage account

Once you choose a plan and value, click the *Buy Plan* button. This will prompt a pop up to appear where your information and card details will be required to complete your purchase.

Once your purchase is complete, your plan will now be reflected under your Current Subscription.
