- 1. Search for Autoaddress in the Shopify app store or find us here: https://apps.shopify.com/autoaddresscheckout
- Click Install and follow the instructions, then select your subscription. For each subscription type, we offer a 7-day free trial*.
- Now, all that is left to do is to add the app into your checkout page. Navigate to your Checkout Editor, click Add app block (under the Delivery section) and select Autoaddress Checkout UI. To ensure you get the most out of our app, make sure to disable *native address lookup* if it's enabled on your store**.
